The screenshot shows the Jetpack AI Assistant interface. At the top, there is a navigation bar with the Jetpack logo, 'Products', 'Pricing', 'Partners', 'Support', and 'Blog'. On the right, there are 'Write', a user profile icon, and a notification bell. Below the navigation, the text 'Jetpack AI Assistant' is displayed. The main heading reads 'The most powerful AI tool for WordPress'. Below this, it says 'Turn your ideas into ready-to-publish content at lightspeed.' and a green button labeled 'Elevate your content'. On the right side, a floating window shows a prompt: 'Outline a post about starting a vegetable garden'. Below the prompt are three AI-generated options: 'Generate a post title', 'Correct spelling and grammar', and another option partially visible.

# Create Content

The screenshot displays the WordPress 'Create Content' interface. On the left is a dark sidebar menu with options: Dashboard, Site Kit, Jetpack, Posts, Media, Pages (highlighted), All Pages, Add New Page, Comments, Feedback, LoginPress, Appearance, Plugins (2), Users, Tools, Settings, Admin Bar & Dash, and Collapse menu. The main editor area is divided into three sections: a block inserter on the left with a search bar containing 'jetpack' and a grid of 12 block options (Jetpack AI Search, Image, AI Assistant, Blog Stats, Goodreads, Top Posts & Pages, Writing Prompt, Business Hours, Calendly, Contact Info, Donations Form, Eventbrite Checkout, GIF, Google Calendar, Image Compare); a central editor area with the text 'Add title' and 'Type / to choose a block'; and a right-hand settings panel. The settings panel includes a 'Page' tab, a 'Block' dropdown, a 'Summary' section, 'Visibility' (Public), 'Publish' (Immediately), 'Template' (Pages), 'URL' (mikestott.me/auto-dr...), a 'Pending review' checkbox, 'AUTHOR' (Mike Stott), a 'Switch to draft' button, and expandable sections for 'AI Assistant', 'Excerpt', and 'Featured image'. At the top right of the editor area are buttons for 'Save draft', 'Publish', and other utility icons.

# Create Content

The screenshot displays the WordPress Jetpack VideoPress interface. At the top, a dark navigation bar shows the user 'Mike Stott' with a home icon, a refresh icon with '2', a comment icon with '0', and a '+ New' button. On the right of this bar, there is a 'Jetpack Beta' badge and a greeting 'Hi, Mike Stott' with a profile picture.

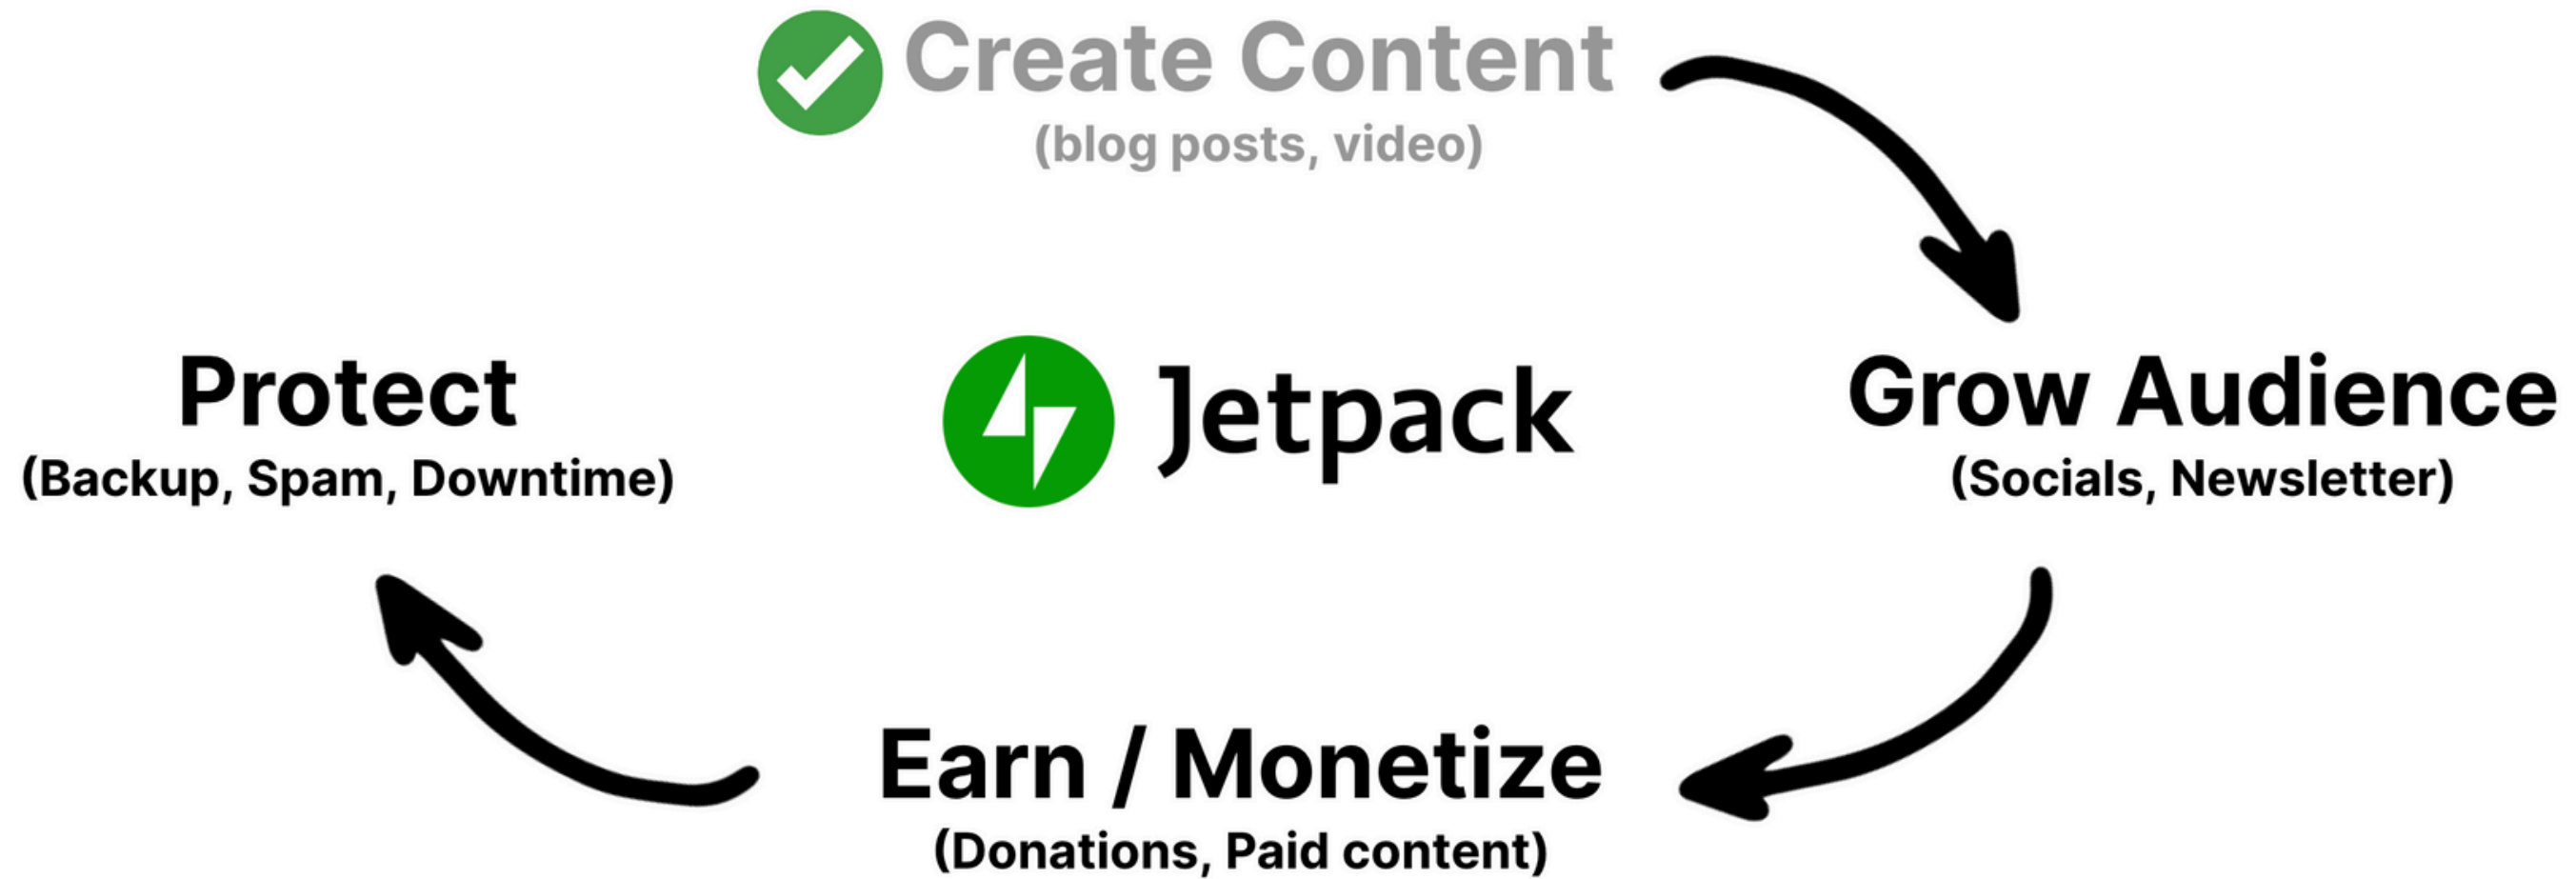

The left sidebar is dark and contains the following menu items: Dashboard, Site Kit, Jetpack (highlighted), My Jetpack, Activity Log, Dashboard, Settings, Scan, Subscribers, Akismet Anti-spam, Beta Tester, Boost, Search, Social, Statistics, VaultPress Backup, VideoPress, and Jetpack Manage.

The main content area features the VideoPress logo and the heading 'High quality, ad-free video'. Below this, it indicates '0% of 1 TB of cloud video storage' with a progress bar. A prominent black button labeled 'Add new video' is positioned below the progress bar.

The section titled 'Your VideoPress library' shows '1 Video'. To the right of this section are search and filter controls: a search box with the placeholder 'Search your library', a 'Filters' button, and a hamburger menu icon.

A video thumbnail is visible at the bottom, showing a scene with the year '2023' overlaid on it.

# Earn from your content

The screenshot shows the Jetpack interface within a WordPress dashboard. The top navigation bar includes the user name 'Mike Stott', a refresh icon, a notification icon with '2', a '+ New' button, and a 'Jetpack Beta' badge with the user's name and profile picture. The left sidebar menu is dark and contains items like 'Dashboard', 'Site Kit', 'Jetpack', 'My Jetpack', 'Activity Log', 'Dashboard', 'Settings', 'Subscribers', 'Akismet Anti-spam', 'Beta Tester', 'Boost', 'Search', 'Social', 'Statistics', 'VaultPress Backup', 'Jetpack Manage', 'Posts', 'Media', 'Pages', 'Comments', and 'Feedback'. The main content area features the Jetpack logo and a navigation menu with 'Security', 'Performance', 'Writing', 'Sharing', 'Discussion', 'Traffic', 'Newsletter', and 'Monetize'. Below this is a heading 'Explore tools to earn money with your site.' and a card for 'Ads' settings. The 'Ads' card has a 'Save settings' button and a description: 'Show ads on the first article on your home page or at the end of every page and post. Place additional ads at the top of your site and to any widget area to increase your earnings.' It also includes a link to 'Automattic Ads Terms of Service'. A main toggle switch is currently turned off. Below it, there are four sub-toggles for 'Display ads below posts on': 'Front page', 'Posts', 'Pages', and 'Archives', all of which are also turned off. The card is partially cut off at the bottom.

# Earn from your content

The screenshot displays the WordPress admin interface for editing a page titled "Buy me a coffee". The page content includes a coffee cup icon and a donation form with three tabs: "One-Time", "Monthly", and "Yearly". The "One-Time" tab is active, showing a "Make a one-time donation" section with "Choose an amount" options for £5.00, £15.00, and £100.00, and a "Or enter a custom amount" field set to £30.00. The right sidebar shows page settings: Page, Block, Summary, Visibility (Public), Publish (Immediately), Template (Pages), URL (mikestott.me/2849-2/), Pending review (unchecked), AUTHOR (Mike Stott), Switch to draft, Move to bin, AI Assistant, Excerpt, and Featured image.

# Earn from your content

The screenshot displays the WordPress Jetpack Beta interface for configuring a 'Paid content' block. The top navigation bar includes the user name 'Mike Stott', a home icon, a refresh icon with '2', a comment icon with '0', a '+ New' button, and a 'View Page' button. On the right, it shows 'Jetpack Beta' and 'Hi, Mike Stott' with a profile picture. The left sidebar contains a menu with items: Dashboard, Site Kit, Jetpack, Posts, Media, Pages (highlighted), All Pages, Add New Page, Comments, Feedback, LoginPress, Appearance, Plugins (with a red '2' badge), Users, Tools, Settings, Admin Bar & Dash, and Collapse menu. The main content area features a 'Paid content' block with a title 'Paid content' and a 'Paid Content' icon. Below the title is a control bar with a lock icon, a price of '\$100.00/year', and view options for 'Subscriber View' and 'Guest View'. The block content includes the text 'Subscribe to get access.', a subtext 'Read more of this content when you subscribe today.', and two green buttons: 'Subscribe' and 'Log in'. The right sidebar shows the 'Page' and 'Block' tabs, with the 'Block' tab selected. It displays the 'Paid Content' block description: 'Restrict access to your content for paying subscribers.' and a link to 'Manage your subscriptions'. Below this is a section for 'Add a new subscription' with fields for 'NAME' (Monthly Subscription), 'CURRENCY' (USD \$), 'PRICE' (5), and 'INTERVAL' (Month). There is also a toggle for 'Enable customers to pick their own amount' and a link to 'Read more about Payments and related fees'. An 'Add subscription' button is at the bottom of this section. The bottom of the page shows 'Page > Paid Content'.

# Protect your site

The screenshot displays the Jetpack Scan interface. On the left is a navigation sidebar with the following items: Mike Stott (user profile), Manage (with a back arrow), Activity Log, Plugins, Backup, Scan (highlighted in green), Search, Social, Subscribers, Monetize, Settings, WP Admin (with an external link icon), Get help (with an external link icon), and Share product feedback. The main content area has two tabs: 'Scanner' (selected) and 'History'. The 'Scanner' tab shows a green shield icon with a white checkmark, followed by the heading 'Don't worry about a thing'. Below this, a message states: 'The last Jetpack scan ran 9 hours ago and everything looked great. Run a manual scan now or wait for Jetpack to scan your site later today.' A green 'Scan now' button is positioned below the message. At the bottom of the main content area, there is a feedback prompt with a smiley face icon, the heading 'How did we do?', and the text: 'Are you happy with Jetpack Scan? Leave us a review and help spread the word.' A close button (X) is located in the top right corner of the feedback prompt.

# Protect your site

The image shows a screenshot of a WordPress dashboard. At the top, there's a navigation bar with a 'Reader' icon on the left and 'Write', a user profile icon, and a notification bell on the right. Below this, the Jetpack logo is on the left, followed by navigation links for 'Products', 'Pricing', 'Partners', 'Support', and 'Blog'. On the right side of this bar, there's a search icon, a user profile icon, and an 'Upgrade' button. The main content area features the Jetpack Akismet Anti-spam logo and a large heading: 'Stop comment and form spam'. Below the heading is a paragraph: 'Automatically clear spam from comments and forms. Save time, get more responses, give your visitors a better experience – all without lifting a finger.' A green button labeled 'Get Akismet Anti-spam' is positioned below the text. At the bottom left, it says 'Try it for only \$4.95 per month'. On the right side of the page, there's a large, semi-transparent illustration of a hand holding a smartphone. The phone screen displays a comment form with a text input field, a user profile picture, and a comment body. A pink rectangular box is overlaid on the bottom part of the comment, containing a red 'X' icon and a red slash over a globe icon, indicating that the comment has been blocked or filtered as spam.

## Your site appears to be down

[mikestott.me](#) did not load when Jetpack Monitor last checked on it.

### What's happening?

Your site is responding intermittently, or extremely slowly. This can indicate an overloaded, under-powered, or misconfigured server. Your site is probably loading for some users, but not for everyone.

Error reference: 227549196/intermittent

### What should you do now?

Start by [visiting your site](#) to see if you're able to load it. Jetpack Monitor may have just recorded a momentary glitch that's since been resolved.

# Bonus: Performance matters

The screenshot shows the Jetpack website interface. At the top, there is a navigation bar with the WordPress logo, a 'Reader' icon, and a 'Write' button. Below this, the Jetpack logo is followed by navigation links for 'Products', 'Pricing', 'Partners', 'Support', and 'Blog'. A search icon and a user profile picture are also visible, along with an 'Upgrade' button. The main content area features a green arrow icon and the text 'Jetpack Boost'. The headline reads 'The easiest speed optimization plugin for WordPress'. Below the headline, a paragraph states: 'Jetpack Boost gives your site the same performance advantages as the world's leading websites, no developer required.' A green button with the text 'Boost your site for free' is positioned at the bottom left. On the right side, there is a large image of a rocket launch at night, overlaid with a green arrow icon and a green progress bar showing a score of 95.

# Bonus: Performance matters

# Jetpack

# Jetpack is everything?!

## Ahmet Akdel

Jetpack is the complete switch knife. It is now certain that Jetpack does not slow down the site. If you want to do many things like security, backup, and email marketing with a single plugin, jetpack is the best alternative.

# Recommendations

The screenshot shows the WordPress dashboard for a user named Mike Stott. The top navigation bar includes the WordPress logo, a home icon, the name 'Mike Stott', a refresh icon, a notification icon with '2', a comment icon with '0', and a '+ New' button. On the right side of the top bar, there is a 'Jetpack Beta' badge and a user profile for 'Hi, Mike Stott'.

The left sidebar contains a menu with the following items: Dashboard, Site Kit, Jetpack (highlighted), My Jetpack, Activity Log, Dashboard, Settings, Scan, Subscribers, Akismet Anti-spam, Beta Tester, Boost, Search, Social, Statistics, VaultPress Backup, Jetpack Manage, Posts, Media, Pages, and Comments.

The main content area displays the Jetpack logo and the 'Recommendations' section. The 'Recommendations' tab is active, with other tabs being 'At a Glance', 'My Plan', and 'Plans'. A progress indicator shows 'Step 2 of 3' with a green bar.

The primary question is: "Would you like Related Posts to display at the bottom of your content?". Below this, a subtext reads: "Displaying Related Posts at the end of your content keeps visitors engaged and on your site. [Learn more](#)".

Two buttons are provided: a large black button labeled "Enable Related Posts" and a smaller link labeled "Not now".

To the right of the text, there is a preview image showing a content layout with three horizontal bars representing text and two image thumbnails at the bottom, illustrating the 'Related Posts' feature.

# Modules

The screenshot shows the Jetpack Modules management interface. At the top, the WordPress dashboard header includes the user name 'Mike Stott', a refresh button, a comment count of '0', and a '+ New' button. On the right, it says 'Jetpack Beta' and 'Hi, Mike Stott' with a profile picture. A sidebar on the left lists various dashboard sections: Dashboard, Site Kit, Jetpack, Posts, Media, Pages, Comments, Feedback, LoginPress, Appearance, Plugins (with a red notification badge), Users, Tools, Settings, Admin Bar & Dash, and Collapse menu. The main content area features the Jetpack logo and a 'Dashboard Settings' toggle. Below this is a table of modules with a 'Bulk actions' dropdown and an 'Apply' button. The table lists modules such as Ads, Asset CDN, Beautiful Maths, Blaze, Brute force protection (with a 'Configure' link), Carousel, Comment Likes, and Comments. Each module has a checkbox and an 'Activate' or 'Deactivate' button. On the right side, there is a search bar for modules, and filters for 'View' (All, Active, Inactive), 'Sort by' (Alphabetical, Newest, Popular), and 'Show' (All (44), Admin (1), Appearance (10), Developers (2), Firewall (1), Fonts (1), General (1), Jetpack Stats (1), Other (7), Photos and Videos (6)).
